BSI:

Bankruptcy Scene Investigation

21st Annual DFW Area Chapter 13
Consumer Bankruptcy Conference
Monday, November 14, 2011
Arlington Convention Center
Arlington, Texas

Follow a BSI team of experts who use both cutting-edge methods and old fashioned investigation to navigate the twists and turns of the practice of consumer bankruptcy. Starting with the EOUST and Washington, these experts will analyze evidence from a national standpoint and decipher the effect of new bankruptcy rules as they affect unsecured creditors, auto creditors, and home mortgage lenders. They will discuss technology used in the local bankruptcy clerks' office, IRS issues in bankruptcy, and lender liability litigation. Local bankruptcy judges will reveal procedural hints and express their views from the bench. The case law review will provide evidence of recent court decisions which can be useful in piecing together clues for future trends in bankruptcy law. The program will conclude with special issues facing debtors in bankruptcy and the elite team of Chapter 13 trustees. The Bankruptcy Scene Investigation promises to mix deduction, gritty facts, and excellent speakers.

Registration form also available on Dallas and Fort Worth Chapter 13 Trustees' websites through www.13network. com.
