NEW CONFIRMATION HEARING PROCEDURE – START 10/7/04

Adjournments

The following is a new form I've developed to assist your offices with requests to adjourn the initial hearings on my objections to confirmation.

Please use this form for request to adjourn NEW objections ONLY and remember that I cannot consent to adjourn the hearing on a creditor's objection. If you cannot obtain the creditors' consent, you will need to appear (even if I have consent to adjourn my objection).

As you will note, you can pick the adjourned hearing date. Please choose a date far enough out so that you can forward any necessary documentation and provide my office at least 48 hours to review it to determine if the objection has been resolved. If the objection is not resolved, please plan to appear on the adjourned hearing date.

Hope this helps! ☺
