

Additional Provisions
(Rev. December 1, 2014)

Check all that apply:

Unsecured creditors shall not be limited to the amount listed in the plan if further amounts are available after other stated creditors are paid.

Notwithstanding any other provision in the Plan, the Trustee shall receive a fee as allowed pursuant to the provisions of 28 U.S.C. 586(e)(2) in the percentage amount as fixed by the United States Trustee.

The following creditors shall be paid pursuant to paragraph 6(B) of the plan rather than the paragraph stated:

This order contemplates the payment in full of all allowed unsecured claims. If there are more allowed unsecured claims than anticipated, the Debtor(s) shall modify the plan to provide more funding.

The Debtor(s) shall use best efforts to prosecute the claim(s) against _____. Debtor(s) shall turn over any proceeds from the claim to the Trustee except those proceeds that are determined by the Court or agreement with the Trustee to be both exempt and not disposable income. Any such turnover of proceeds will be in addition to the payments and total previously stated in this order. The plan shall not be complete and the Debtor(s) shall not receive a discharge until the claim(s) are resolved and appropriate payments to the Trustee are made.

After the deduction/dedication of any amounts designated as adequate protection payments to any creditor(s), the Trustee shall hold in escrow any remaining funds thereafter available for debtor's attorney's fees. Such fees are allowed preliminarily. Final determination of the appropriate fees will be made in the context of the Trustee's Recommendation Concerning Claims. The Debtor's attorney will file a fee application before the deadline to object to the Trustee's Recommendation Regarding Claims. If the application is not filed within that time, the Debtor's attorney shall be awarded the amount of fees stated in Local Rule 2016.

Despite any language in the plan or this order regarding the vesting of property, the responsibility for insuring property remains with the Debtor(s).

Notwithstanding any provision herein to the contrary, the deadlines to file the Trustee's Recommendation Concerning Claims, objections to the Trustee's Recommendation Concerning Claims, and objections to claims shall be governed by Local Bankruptcy Rule 3015(g).

Although the Debtor(s) have little or no income tax withheld from paychecks, annual tax refunds are expected due to Earned Income Credit and Child Tax Credit. The Debtor(s) included the best estimate of the monthly average of the tax refund credits as additional income on Schedule I. Because of this, and notwithstanding any other provision of the confirmed plan, the Debtor(s) are only required to submit tax refunds to the Trustee which are \$2,001.00 or more than the twelve month total of the monthly average of yearly Earned Income Credit and Child Tax Credit amounts.
