Any request to deviate from this provision shall be made by motion. The title of the motion shall state that the motion contains a request to alter or amend the Order of Payment and shall be served on all parties in interest, including the Trustee.

(d) Any AAPD, Debtor's Plan Modification, or Notice of Additional Fees and Rule 2016 Disclosure shall be filed using the form posted on each Trustee's website. No motion is required to alter or amend the provisions of the Debtor's Plan Modification Form if the alteration or amendment is the inclusion of a Nonstandard Provision and the procedures set out in the definition of Nonstandard Provision are followed.

(e) In order to pay any allowed fees and expenses to any attorney, in the event the Plan, including any Plan Modification, becomes insufficiently funded during the term of the Plan, the Trustee may, but is not required to, increase the Base Amount, Plan Payment, and/or term of the Plan as needed. The Trustee will notify the Debtor of any change by filing and serving a Notice by Trustee of Increased Plan Base, Plan Term and/or Plan Payments on the Debtor and the Debtor's Counsel.

Such parties shall be considered as "parties in interest" for purposes of this General Order. The Court may direct service on additional parties as appropriate.

6. **GOOD FUNDS.** The Trustee is not required to disburse any funds to any party in interest unless the Trustee is satisfied, within the Trustee's sole discretion, that good funds have been received by the Trustee.

7. **ADEQUATE PROTECTION DISBURSEMENTS.**

(a) **Debtor Shall Authorize Adequate Protection Disbursements by the Trustee.** Unless otherwise ordered by the Court, within 14 days of the Petition Date or Conversion Date, the Debtor shall file and serve on all scheduled creditors (unless Service on a particular creditor is made by the Clerk), an AAPD. Any amendment to the AAPD shall (1) be filed with the Court, (2) be served on all affected creditors and, if a Notice of Appearance has been filed, their counsel, and (3) contain a Certificate of Service reflecting service.

Unless otherwise ordered by the Court, adequate protection concerning motor vehicles shall be presumed adequate if such disbursement is in a monthly amount equal to 1.25% of the value of the motor vehicle. For purposes of this presumption, the value of the motor vehicle as of the petition date will be set at either the "Average Price Paid" stated at www.jdpower.com for a vehicle located in the zip code for the Debtor's residence address at the time of the filing of the voluntary petition or using the Clean Retail value contained in the JD Power publication for a comparable motor vehicle for the month the voluntary petition is filed. Value will be computed without an adjustment for any options or mileage. This is without prejudice to the debtor or secured creditor contesting the value presumption or payment of 1.25% of the value presumption as adequate protection. In the Case of a Conduit Debtor, the amount of the Current Post-Petition Mortgage Payment(s) must be included in the AAPD.

(b) **Trustee Shall Disburse Adequate Protection Payments.** Pre-confirmation, the Trustee will disburse Plan Payments received by the Trustee according to the AAPD in the next regularly scheduled monthly disbursement, subject to normal operating procedures. The Trustee may disburse adequate protection payments monthly as provided in the AAPD, whether or not a proof of claim has been filed, to claimants in the order set out in the AAPD under "Order of Payment." If funds received by the Trustee are insufficient to pay a full monthly payment to any specified category of claimants cumulatively, other than payments of the Current Post-Petition Mortgage Payment(s), payments shall be made pro rata within such category. Current Post-Petition Mortgage Payments(s) shall be made in full amounts.

(c) Any interest received by the Trustee as a result of Plan Payments shall be paid into the Trustee's expense account and used exclusively to pay the compensation and reasonable and necessary expenses of the Trustee, as may be approved by the United States Trustee. Any Plan Payments may be held by the Trustee in a non-interest-bearing account.

(d) Adequate protection disbursements may include the Trustee's Noticing Fees, Filing Fees, Payments on Secured Claims including applicable Current Post-Petition Mortgage Payments, priority claims, and fees for Debtor's Counsel, unless the Debtor is pro se.

(e) In addition to the adequate protection payments required herein, in each Case, the Debtor's use of vehicles under Section 363 of the Bankruptcy Code is authorized only if the Debtor (i) maintains insurance on the vehicles in the amount required by the Debtor's pre-petition contract; (ii) provides proof of insurance to the lien holder upon request; and (iii) not later than the date of the initial Section 341 Meeting, provides the Trustee with all necessary information for a wage directive (if the Debtor is required to submit a wage directive) or for an alternate payment method approved by the Trustee.

8. SURRENDERED COLLATERAL AND ORDERS REGARDING THE AUTOMATIC STAY.

(a) The Plan or any Plan Modification (if surrender is allowed) shall describe any Collateral to be surrendered. This will be construed by the Court as a request that the stay be terminated as to the surrendered Collateral, and THE AUTOMATIC STAY SHALL BE TERMINATED. If a Plan Modification is filed providing for the surrender of Collateral, the Trustee shall not make any disbursements on any allowed secured claim which is secured by the surrendered Collateral after the Plan Modification is filed unless specifically ordered to do so by the Court. The Trustee may, however, reserve funds that would otherwise be disbursed on the allowed secured claim until such Plan Modification is approved or an order of the Court regarding the disbursement of such funds by the Trustee is entered. PROVIDED, HOWEVER, that the stay shall not be terminated if the Trustee or affected secured lender files with the Court an objection to the proposed surrender within 7 days of the filing of the Plan or the Plan Modification. Such objection shall be served on the Debtor, Debtor's Counsel, and the party to whom the Collateral is proposed to be surrendered (and/or for whose benefit the Collateral is proposed to be surrendered). If such objection is filed and served, the automatic stay shall remain in effect until the objection is disposed of by an order of the Bankruptcy Court. In such event, the Trustee may reserve funds that would otherwise be disbursed on the allowed secured claim until the Plan Modification is approved or an order of the Court regarding the disbursement of such funds by the Trustee is entered.

(b) If a confirmed Plan or a previously approved Plan Modification provides that the Trustee shall disburse payments on an allowed secured claim and the automatic stay terminates as to the Collateral securing that claim, the Trustee will cease making disbursements on the allowed secured claim.

(c) Following the surrender of Collateral or the termination of the automatic stay as to Collateral, a creditor with an allowed secured claim on the Collateral shall have 90 days from the date of surrender or termination of the automatic stay to file a proof of claim for any unsecured deficiency.

(d) A Creditor which has foreclosed upon Collateral shall file a notice within 60 days of the date of the sale following foreclosure and shall attach to such notice a written statement setting out the gross amount of the proceeds from the sale of the Collateral and how those proceeds were applied by the Creditor to any costs and the outstanding loan balance. If the

Creditor has not foreclosed upon and sold all Collateral securing its allowed secured claim following a termination of the automatic stay, and the Creditor chooses to file a proof of claim in accordance with subparagraph 8(c) hereof, the Creditor shall attach to such claim a written explanation regarding why such Collateral has not been foreclosed upon and sold.

(e) If a previously confirmed Plan or previously approved Plan Modification provides that payments to a secured creditor will be paid directly by the Debtor to the creditor or provides for disbursement of only an arrearage claim by the Trustee with the balance of the claim to be paid directly by the Debtor to the Creditor, and the automatic stay terminates with regard to Collateral securing such claim, the Trustee shall not make disbursements other than as set out in the confirmed Plan or a previously approved Plan Modification unless an amended proof of claim is filed and a Plan Modification is filed to provide for disbursements by the Trustee on such amended claim and is approved by the Court. Such Plan Modifications must be served on the Debtor, the Debtor's Counsel, the Trustee, all holders of unsecured claims and any party which has filed a Notice of Appearance. Any party in interest may object to such proof of claim or Plan Modification. Any objection to such amended proof of claim or Plan Modification shall be set for hearing at the same time as the Trustee's regular Court docket call.

(f) After the bar date, the Trustee will not be required to disburse on any increased unsecured amount due to a deficiency of Collateral until a new proof of claim is filed or its original proof of claim is amended to include the deficiency. The Trustee shall not be required to recover any funds previously disbursed to the holders of other unsecured claims. However, holders of other unsecured claims who have previously received disbursements from the Trustee may not receive any additional payments from the Trustee until the holder of the deficiency receives payment on account of such additional unsecured claim proportionate in value to that already received by the other holders of unsecured claims.

(g) Any order regarding the automatic stay concerning Collateral securing pre-petition debt which is entered after the bar date for filing non-governmental proofs of claim may provide for the creditor's right to foreclose and the creditor's right to recover attorney fees and costs, if recoverable pursuant to the provisions of §506, but may not provide for any method to allow an unsecured deficiency claim or to increase the unsecured portion of a previously filed proof of claim by any means other than as set out hereinabove.

9. TRUSTEE'S PERCENTAGE FEE AND NOTICING FEE.

(a) Pursuant to 28 U.S.C. § 586(e), the Trustee is authorized to collect the Trustee's Percentage Fee at the time of the receipt of any funds paid by or on behalf of the Debtor to the Trustee or recovered by the Trustee from any source, including, but not limited to, the receipt of any funds that the Trustee will disburse on any Mortgage Arrearage(s), Current Post-Petition Mortgage Payment(s), Mortgage Fees, and/or adequate protection payments.

(b) The Trustee may charge, in addition to the percentage fee fixed pursuant to 28 U.S.C. § 586(e)(1)(B), noticing fees in each Case administered by the respective Trustee equal to \$.50, plus postage per envelope.

It is hereby found and determined that said fees are reasonable and appropriate to defray the actual, necessary costs and expenses reasonably attributable to the giving of said notices. Subject to United States Trustee's approval, the Trustee may choose to reduce the number of notices for which noticing fees are collected. The Trustee shall be entitled to collect noticing fees authorized hereby from the first and any subsequent monies received from the Debtor, whether before or after confirmation.

10. CREDITOR'S CERTIFICATE OF CONFERENCE ON § 362 MOTIONS AND OBJECTIONS TO CONFIRMATION AND REQUIREMENT TO PROVIDE LIMITED PAYMENT HISTORY, EVIDENCE OF DEBT, AND PERFECTION OF LIEN REGARDING REAL PROPERTY.

(a) A Creditor shall include a Certificate of Conference with Debtor's Counsel on any § 362 motion to modify stay or any objection to confirmation. The Certificate of Conference shall state that the creditor or its counsel made a good faith effort to negotiate a settlement of the dispute with Debtor's Counsel or that Debtor's Counsel failed to respond to the creditor's communication (made during regular business hours) by the same time on the 2nd business day after such communication. The Certificate of Conference shall evidence that the creditor or creditor's counsel attempted at least once to contact Debtor's Counsel by telephone, e-mail, fax, or in person. The Court reserves the right to sanction parties and/or counsel who fail to confer in good faith prior to the filing of such motions and/or objections.

(b) Notwithstanding L.B.R. 4001-1(e), if a Mortgage Lender or HOA files a § 362 motion to terminate, annul, modify or condition the automatic stay, within 7 days, the creditor shall file a sworn affidavit detailing any alleged payment delinquency and providing a current chronological payment history beginning with the first payment alleged to be delinquent.

14. **WHO IS REQUIRED TO BE A CONDUIT DEBTOR.** Unless otherwise ordered by the Court following a motion by a party in interest in a specific Case, any Debtor meeting the following criteria is required to participate in the Conduit Program and is designated as a Conduit Debtor:

(a) Any Debtor that is the monetary equivalent of two full monthly mortgage payments or more in arrears to a Mortgage Lender as of the Petition Date or Conversion Date and, in determining the monetary equivalent of the arrearage, a projected escrow shortage shall not be included in the computation;

(b) Any Debtor that defaults on payments to a Mortgage Lender during the pendency of the Case such that the Debtor is the monetary equivalent of two full monthly mortgage payments or more in arrears on Current Post-Petition Mortgage Payments to the Mortgage Lender, except that in a Case within 12 months of completion, the Trustee may elect not to require the Debtor to participate in the Conduit Program; or

(c) Any Debtor who elects to participate in the Conduit Program by including the Current Post-Petition Mortgage Payment in the Plan Payments and the Base Amount in (1) Section I, D.(2) of the Plan or (2) in a Plan Modification.

Once designated as a Conduit Debtor, the Debtor shall remain a Conduit Debtor until the payment in full of the Base Amount (even if the Mortgage Loan is modified), or until the Case is converted or dismissed, unless otherwise ordered by the Court.

15. **PROVISIONS REGARDING THE CONDUIT PROGRAM.** Unless otherwise ordered by the Court, the following provisions shall apply in the Case of a Conduit Debtor –

(a) **Additional Responsibilities of the Conduit Debtor** – In addition to all other responsibilities, duties, and obligations of the Debtor required by applicable law and rules, and this General Order:

(1) The Conduit Debtor shall include any Mortgage Arrearage(s), the Current Post-Petition Mortgage Payment(s) and any Mortgage Fees, plus the Trustee's Percentage Fee, in the calculation of the Plan Payment, and such amounts shall be included in the calculation of the Base Amount.

(2) The Conduit Debtor shall file an AAPD authorizing the Trustee to disburse the Current Post-Petition Mortgage Payments to the Mortgage Lender prior to confirmation.

(3) The Conduit Debtor is responsible for responding to and defending all motions for relief from the automatic stay. The Conduit Debtor is responsible for objecting to any proof of claim or any amended proof of claim filed by a Mortgage Lender, as well as any Notice of Payment Change by Mortgage Lender and/or any Notice of Fees, Expenses, and Charges. The Trustee is not obligated to but, within the Trustee's sole discretion, may object to

any proof of claim or amended proof of claim filed by or on behalf of a Mortgage Lender and may file a response to any motion for relief from the automatic stay, Notice of Payment Change by Mortgage Lender and/or any Notice of Fees, Expenses, and Charges.

(b) **Additional Responsibilities of the Mortgage Lender** – In addition to all other responsibilities, duties, and obligations of the Mortgage Lender required by applicable law and rules and this General Order:

(1) If the Mortgage Lender files a Notice of Fees, Expenses, and Charges and does not attach legible copies of any unpaid invoices to such Notice to substantiate the fees, expenses and charges requested, the Trustee or the Debtor may object to such Notice for that reason. Upon the earlier of (i) the expiration of the period of time for filing an objection to the Notice of Fees, Expenses, and Charges, or (ii) the entry of a Final Order allowing such fees, expenses and charges in whole or in part, the Trustee is authorized to pay them in full as a secured claim with no interest.

(2) If the Mortgage Lender files a proof of claim or amended proof of claim which includes pre-petition fees, expenses, or other charges as part of the claim amount and does not attach legible copies of any unpaid invoices substantiating same, the Trustee or the Debtor may object to the proof of claim or amended proof of claim for that reason.

(3) In the event there is a change in the name of the Mortgage Lender and/or the servicer for the Mortgage Lender and/or the address to which disbursements to the Mortgage Lender are to be sent, the Mortgage Lender shall file with the Court and serve on the Trustee, the Conduit Debtor and the Debtor's Counsel a notice substantively conforming with the form of the *Notice of Transfer of Servicing or Change of Address* posted on the website of each Trustee which are accessible through www.13network.com. If the Notice of Transfer of Servicing or Change of Address is not received by the Trustee at least 21 days prior to the Trustee's next disbursement date (but not including the disbursement date), the Trustee shall have no obligation or liability for recovering or requesting the refund of any funds disbursed within that 21 day period. The Debtor shall receive full credit for any such payment disbursed by the Trustee to or on behalf of the Mortgage Lender. All disbursements made more than 21 days after a Notice of Transfer of Servicing or Change of Address is filed shall be made in the name of and to the address set forth in such Notice if it conforms with the Notice of Transfer of Servicing or Change of Address.

(c) **Other Applicable Provisions** –

(1) In the event the Current Post-Petition Mortgage Payment changes during the term of the Plan or Plan Modification, the Mortgage Lender shall file a Notice of Payment Change by Mortgage Lender. After receiving same, the Trustee may send a Notice of Plan Payment Adjustment to the Conduit Debtor, Debtor's Counsel, and the Mortgage Lender. If the Notice of Payment Change by Mortgage Lender is timely and properly filed by the Mortgage Lender and indicates it was properly served, the Trustee shall disburse the Current

Post-Petition Mortgage Payment(s) consistent with the Notice of Payment Change by Mortgage Lender as of the effective date of the change set out therein, assuming there are available funds in the Case to do so, unless a Notice to Reserve Funds has been filed.

(2) If the Mortgage Lender files a proof of claim or an amended proof of claim that sets out a Mortgage Arrearage, a Mortgage Fee, or a Current Post-Petition Mortgage Payment in an amount different than the amount used to calculate the Plan Payment, the Trustee may recalculate the Plan Payment and Base Amount and serve a Notice of Plan Payment Adjustment.

(3) In the event of an adjustment to the monthly Plan Payment or the Base Amount due to the Trustee as a result of (i) the filing of a proof of claim or amended proof of claim by the Mortgage Lender, (ii) the filing of a Notice of Payment Change by the Mortgage Lender after it becomes effective pursuant to Rule 3002.1, (iii) the filing of a Notice of Fees, Expenses, and Charges, (iv) an insufficiency in the Base Amount necessary to disburse a full, final Current Post-Petition Mortgage Payment, and/or (v) the entry of an order of the Court, the monthly Plan Payment, the Base Amount and/or the Plan Term may be automatically adjusted by the Trustee by the amount of the required payment adjustment, plus the Trustee's Percentage Fee, without the necessity of filing an amended AAPD, an amended Plan or a Plan Modification to effectuate the adjustment of the Plan Payment. The Trustee will notify the Debtor of any change in the Plan Payment by filing and serving a Notice of Plan Payment Adjustment on the Debtor and the Debtor's Counsel. Unless otherwise ordered by the Court, the amount set out in the Notice of Plan Payment Adjustment is the Plan Payment as of the effective date contained therein and the amount of the monthly payment due to the Mortgage Lender set out in the Notice of Plan Payment Adjustment is the amount the Trustee shall disburse to the Mortgage Lender from available funds in the Case.

(4) Unless otherwise ordered by the Court, and subject to Bankruptcy Rule 3002.1(f)-(h), if the Conduit Debtor is current on Plan Payments or the payments due pursuant to any wage directive, the Mortgage Loan shall be deemed current post-petition.

(5) Pre-confirmation, the Trustee may make Current Post-Petition Mortgage Payments to the Mortgage Lender, as identified by the Conduit Debtor, at the address provided by the Conduit Debtor, in the amount stated by the Conduit Debtor and utilizing the account number provided by the Conduit Debtor, pursuant to an AAPD authorizing such payments, without the necessity of the Mortgage Lender filing a proof of claim or having a proof of claim filed on its behalf.

(6) Following the entry of an order confirming the Plan, the Trustee shall make Current Post-Petition Mortgage Payments to the Mortgage Lender only if a proof of claim is filed and has not been disallowed. However, the Trustee will reserve the Current Post-Petition Mortgage Payments received until either (a) the date the Mortgage Lender's proof of claim is timely filed as set out in Rule 3002(c) of the Bankruptcy Rules of Procedure or (b) the expiration of the extended Claims Bar Date set out in Rules 3004 and 3005 of the Bankruptcy

Rules of Procedure. In the event no proof of claim is filed by or on behalf of the Mortgage Lender within the time periods set out above, the reserve will be removed and the Trustee may disburse any reserved funds to other claimants.

(7) As appropriate, the Trustee may adjust the number of ongoing mortgage payments required in any Order confirming a Plan or Order approving a Plan Modification.

(8) Notice to Reserve Funds:

(A) Any party in interest may file and serve a Notice to Reserve Funds if, and only if, the following is filed: (i) an objection to a Notice of Payment Change by Mortgage Lender; (ii) an objection to a Notice of Fees, Expenses, and Charges; (iii) an objection to a proof of claim or amended proof of claim filed by or on behalf of the Mortgage Lender; and/or (iv) an adversary disputing the validity, priority, and extent of the lien asserted by the Mortgage Lender. The Trustee is not obligated to but may, in the Trustee's sole discretion, file a Notice to Reserve Funds. A form of this Notice to be used by parties, other than the Trustee, is posted on the website of each Trustee which are accessible through www.13network.com. Such Notice may be filed only as permitted in this General Order.

(B) The Notice to Reserve Funds must be filed with the Court in the Case (as opposed to an ancillary proceeding) and served on the Mortgage Lender, the Conduit Debtor, the Debtor's Counsel and the Trustee and, if filed by a party other than the Trustee, must be received by the Trustee no less than 5 days prior to the Trustee's scheduled disbursement date. If a Notice to Reserve Funds is filed, the Trustee will reserve funds specified in the Notice which would otherwise be disbursed to the Mortgage Lender until an order of the Court is entered instructing the Trustee how to disburse the funds.

(C) A Notice to Reserve Funds is without prejudice to the rights of any party in interest to request other and further relief from the Court, including, but not limited to, an order of the Court to authorize or compel the Trustee to disburse any reserved funds.

(9) If any party in interest files a proceeding described in Section 15(c)(8)(A) of this General Order, the Conduit Debtor shall continue remitting the Plan Payment to the Trustee and the Trustee shall continue disbursements to the Mortgage Lender, unless a Notice to Reserve Funds is filed or unless otherwise ordered by the Court. In the event a party in interest is successful with regard to such proceeding but no Notice to Reserve Funds is filed, the Trustee may, but is not obligated to, request or obtain a refund of any payments to the Mortgage Lender disbursed by the Trustee prior to the resolution of the filed objection or lien avoidance adversary.

(10) Each Trustee shall develop the internal procedures for the administration of the Conduit Program which will be applicable to all Conduit Cases administered by the Trustee, unless otherwise ordered by the Court.

16. TRUSTEE'S RECOMMENDATION CONCERNING CLAIMS AND PLAN MODIFICATION, IF REQUIRED.

(a) As soon as practicable after the governmental Claims Bar Date, the Trustee may prepare and serve on Debtor, Debtor's Counsel, all creditors who were scheduled, all creditors who filed claims, and any party that has filed a Notice of Appearance, a TRCC, and a Notice of Hearing thereon. The TRCC may include notice of a pre-hearing conference if one is scheduled by the Trustee. The TRCC may be deemed in part to be an objection to claims pursuant to Bankruptcy Rule 3007(d) and (e). Service of the TRCC on any agency or office of the United States of America will comply with the provisions of Rule 7004 of the Bankruptcy Rules of Procedure.

(b) The TRCC may list and propose disallowance of any claims scheduled but not filed.

(c) Objections to the TRCC shall be filed within 30 days from the date of Service of the TRCC.

(d) The TRCC may contain a proposed Plan Modification.

(e) Unless an objection is timely filed as to the amount or classification of any claim or to any Plan Modification, the claim or Plan Modification will be allowed or approved as described in the TRCC, and such amount and classification will be final and binding on all parties without further order of the Court.

(f) The TRCC shall include a notice of the time, date, and location of the court hearing on any objection, as well as the time, date, and location of the Trustee's pre-hearing conference, if any. If no objection is timely filed, no Trustee's pre-hearing conference or Court hearing will be held. Matters resolved at or before the pre-hearing conference or prior to the setting on the Court's docket may be presented to the Court by the Trustee in the form of an Agreed Order prior to, at, or after the scheduled court hearing.

(g) All unresolved objections to the TRCC shall be deemed waived if —

(1) not timely filed and served as provided above; or

(2) the Trustee sets a pre-hearing conference, and the proponent of any such objection fails to attend the Trustee's pre-hearing conference or give the Trustee prior written notice that a hearing is necessary.

(h) The TRCC will not affect value of Collateral, treatment under the Plan unless modified, or interest rate determined at confirmation, but may show these for information only.

(i) To the extent secured and/or priority claims being paid through the Plan by the Trustee are allowed in amounts in excess of the amounts provided for in the Plan, the Plan

will be promptly modified to provide for full payment of the allowed amount except as otherwise provided in this General Order or by order of the court.

(j) After the order approving the TRCC becomes final, if the Plan becomes infeasible and/or insufficient, it shall constitute cause to dismiss the Case.

17. LIENS AND CLAIMS AGAINST THE PRINCIPAL RESIDENCE OF THE DEBTOR.

(a) For the avoidance of doubt, pursuant to this General Order, Federal Bankruptcy Rule of Procedure 3002.1 regarding filing a Notice of Fees, Expenses, and Charges applies to an HOA with a lien on the Principal Residence of the Debtor.

(b) Any lienholder with a claim secured by the Debtor's Principal Residence, whether statutory or consensual, that is not subject to Rule 3002.1 must file a motion to have any fees, expenses, and charges approved by the United States Bankruptcy Court for the Northern District of Texas. Such motion must be filed and served within 180 days after the fees, charges or expenses are incurred or such fees, expenses, and charges may be disallowed by the Court. A lienholder that is a governmental entity is not required to comply with this provision of the General Order, but to avoid confusion, a party holding a lien acquired from or transferred by a governmental entity is.

(c) All hearings regarding Rule 3002.1 or any motion filed pursuant to subpart (b) shall be set on the regularly scheduled Chapter 13 docket unless the parties request a special setting with notice to the Chapter 13 Trustee of such request.

18. DISBURSEMENT BY THE TRUSTEE UPON DISMISSAL OR CONVERSION.

(a) If the Case is dismissed pre-confirmation, any balance on hand shall be disbursed by the Trustee as provided in the AAPD for one disbursement cycle or as otherwise ordered by the Court, and any remaining balance shall be paid to any remaining attorneys' fees. If all the attorneys' fees have been paid, the amount will be refunded to the Debtor. If a Case is dismissed after confirmation, the Trustee shall disburse any balance on hand as provided in the confirmed Plan or court approved Plan Modification for one disbursement cycle and then refund the remaining balance to the Debtor. Upon request, the Court may retain jurisdiction upon dismissal to allow for fee requests to be filed and paid prior to the closing of the Case. Any such fee requests shall be filed within fourteen (14) days following the dismissal of the Case.

(b) In the Case of a Conduit Debtor, if a Case is dismissed and there is a balance on hand in any amount that is less than one full Current Post-Petition Mortgage Payment, the Trustee may, but is not required to, disburse those funds to claimants other than the Mortgage Lender.

(c) If the Case converts to another Chapter of the Bankruptcy Code, any balance on hand will be disbursed by the Trustee in accordance with applicable law.

19. **OBLIGATION TO NOTIFY.** Debtor must notify the Trustee of any material increase in the Debtor's personal or household income and of the acquisition of any property of the estate with a value exceeding the Trustee's guidelines, the sale of any property post-petition, and/or of the receipt of any life, auto, or home owner's insurance proceeds in an amount that exceeds the Trustee's guidelines.

(d) The Trustee may file a Plan Modification to increase the Base Amount by the excess tax refund for the benefit of the allowed general unsecured creditors.

(b) Unless otherwise ordered by the Court, this General Order governs the **STANDARD FEE** and **BUSINESS STANDARD FEE**, as described herein, of Debtor's Counsel in Cases filed on or after the Effective Date. (6) The Debtor's Counsel's signature and filing of the Notice of Additional Fees is a representation to the Court that each Debtor consents to the payment of the Additional Fee and a representation to the Court that the requested Additional Fee is not necessary due to the error or negligence of the Debtor's Counsel.

A copy of any Fee Application shall be served on all parties listed on the mailing matrix maintained by the Bankruptcy Clerk as of the time the Fee Application is filed, as well as the Trustee and the United States Trustee. Allowance of fees and expenses pursuant to this provision shall be by separate order of the Court which must specifically state the amount allowed and whether the allowed fee will be disbursed by the Trustee or will be disbursed directly by the Debtor to the Debtor's Counsel. The Debtor's Counsel's signature and filing of the Fee Application is a representation to the Court that each Debtor consents to the payment of the requested fees and a representation to the Court that the requested fees are not necessary due to the error or negligence of the Debtor's Counsel. The fee for preparing the Fee Application may not exceed the amounts set out below and should be calculated based on the actual amount of time required to prepare the fee application, if this results in a smaller fee. Fees and expenses may be requested pursuant to this provision in the following circumstances:

(1) **General Case Fee Application** - The Debtor's Counsel may request attorney's fees and expenses exceeding the Standard Fee or Business Standard Fee by filing a Fee Application describing what significant work was done over and above the customary amount of work, the time required for the additional work, any specific problems encountered or complexities involved, and the hourly rate requested. For the preparation of such a fee application, the Court will not approve a fee exceeding \$700.

(2) **Specific Matter Fee Application** – The Debtor's Counsel may request an increase in attorney's fees and expenses on a matter described in paragraph 21(g) of this General Order as an Additional Fee matter by filing a Fee Application describing what significant work was done over and above the customary amount of work, the time required for the additional work, any specific problems encountered or complexities involved, and the hourly rate requested. The Court will not approve any fees for the preparation of this Fee Application.

(3) **Hourly Fees** – The Debtor's counsel may request attorney's fees and expenses in lieu of either the Standard Fee or the Business Standard Fee for representation of the Debtor in the entire case or for any service otherwise not described in paragraph 21 of this General Order. Examples of such services include preparation and representation of the Debtor regarding (a) a Motion to Use Cash Collateral in a Level 2 Business Case and (b) representation of the Debtor in an adversary proceeding. For the preparation of a such a Fee Application, the Court will not approve a fee exceeding \$700.

(i) Any Fee Application or Notice of Additional Fees and Rule 2016 Disclosure which includes a request that the Court authorize the Debtor to pay applicable fees or expenses directly to the Debtor's Counsel, must specify direct payment treatment and any related order on a Fee Application must specifically authorize such direct payment treatment. Otherwise said fees and expenses will be disbursed by the Trustee.

(j) If Debtor's Counsel receives a post-petition retainer or payment of any kind from or on behalf of the Debtor, it must be disclosed to the Court. The retainer or payment must be deposited in the attorney's IOLTA account and cannot be withdrawn until the fee is approved. All other requirements of the applicable provisions of the Bankruptcy Code and Rule 2016 must be satisfied.

(k) In order to pay any allowed fees and reimburse allowed expenses to the Debtor's Counsel, the Trustee may, but is not required to, increase the Base Amount, Plan Payment, and/or term of the Plan as needed. The Trustee will notify the Debtor of any change by filing with the Court and serving a Notice by Trustee of Increased Plan Base, Plan Term and/or Plan Payment on the Debtor and the Debtor's Counsel.

(l) Additional Fees shall be requested by the filing of a Notice of Additional Fees and Rule 2016 Disclosure. Other fees shall be requested by the filing of a Fee Application.

(m) The Trustee or any other party may object to the allowance or payment of any fees applied for or noticed by the Debtor's Counsel, including any Additional Fees.

(n) This General Order does not apply to a Chapter 13 Case once it is converted to a Case under Chapter 7 of the Bankruptcy Code. Upon entry of an order converting a Case to Chapter 7, the amount and manner of payment of compensation for an attorney for Chapter 7 related services is a matter between the Debtor and Debtor's Counsel, subject to the Court's review.

22. COMPENSATION AND EXPENSE REIMBURSEMENT TO CREDITOR ATTORNEYS IN CHAPTER 13 CASES.

(a) The recovery of fees and/or expenses by a Mortgage Lender or HOA will be recouped through the filing of a Notice of Fees, Expenses, and Charges pursuant to Bankruptcy Rule 3002.1 (c) and (d) and subject to determination under (e). The failure of a Mortgage Lender or HOA to comply with Bankruptcy Rule 3002.1 will result in the denial of any such fees and/or expenses.

(b) For any fees and/or expenses sought to be reimbursed from the Debtor or the Debtor's estate by any secured creditor for its attorneys' fees and costs, the Court deems the lesser of (1) the maximum attorney's fees that Fannie Mae allows for legal work related to bankruptcy services provided on Fannie Mae whole mortgage loans reflected in the Fannie Mae [Servicing Guide](#) and (2) the actual amount paid or to be paid by the creditor to its attorney as reasonable compensation, without prejudice to the Trustee, the Debtor, or any other party

contesting entitlement to the fees, or the reasonableness of the amount or mode of payment of the fees and expenses. Allowance of fees and/or expenses in amounts greater than those allowed by Fannie Mae shall be by separate order of the Court pursuant to paragraph 22(a) or if Bankruptcy Rule 3002.1 does not apply, then by the filing of a separate motion requesting approval of such additional fees and/or expenses. The submission of an agreed order containing a provision providing for the creditor's recovery of attorney's fees in a pending bankruptcy Case shall constitute an affirmative representation to the judges of this Court by all signatories to the agreed order that there is objective evidence supporting a finding that the creditor has a properly perfected lien and is over secured or is otherwise legally entitled to recover such fees. Upon the entry of the agreed order, such submission shall also constitute an affirmative representation by the creditor and its counsel that the attorney's fees provided for in the order do not exceed the amount of the fees actually paid or to be paid to the creditor's counsel.

(c) If the fees and costs will be disbursed by the Trustee, he/she is authorized to file and serve a Notice by Trustee of Increased Plan Base, Plan Term and/or Plan Payments, if necessary.

23. MONTHLY STATEMENTS WILL NOT VIOLATE THE AUTOMATIC STAY. Unless the Debtor or Debtor's Counsel has notified the creditor, in writing, to discontinue sending post-petition statements, a creditor will be deemed not to have violated the automatic stay by voluntarily continuing to send the Debtor the usual and customary monthly statements concerning the Debtor's accounts. A creditor claiming a lien on real property and whose lien is provided for with "direct" payments in the Plan shall continue to send the Debtor regular payment statements, invoices, or other memoranda of regular payments due after the Petition Date or Conversion Date, if it was the practice of the creditor to send the Debtor such statements before the Petition Date or Conversion Date, and the continued sending of these payment statements, invoices, or other memoranda of regular payments will be deemed not to violate the automatic stay.

24. PURCHASE OR LEASE OF A VEHICLE WHILE THE CASE IS PENDING.

(a) If the Debtor wishes to purchase a vehicle, the Debtor has the option to proceed in one of two ways. The Debtor may file a Motion to Incur Debt and obtain Court approval of the purchase OR the Debtor may submit a Request to Incur Debt to the Chapter 13 Trustee in which case Court approval of the purchase is not required if the following criteria, established by the Court, are met prior to the purchase of the vehicle and the purchase is approved by the Trustee:

1. The loan for the purchase of the vehicle cannot exceed \$30,000;
2. The monthly payment amount cannot exceed \$650.00;
3. The interest rate cannot exceed 21%;

4. The purchase agreement may not include a vehicle warranty or any type of additional insurance, such as disability insurance, GAP insurance, etc.; and
5. The vehicle may not be a luxury vehicle, even if it is old.

If submitting a Request to Incur Debt to the Chapter 13 Trustee, the Debtor shall complete the “Chapter 13 Debtor’s Request to Incur Debt” (“Request”), which is available on the Trustee’s website, and submit same to the Trustee. The Debtor also must submit a buyer’s order or sales contract to the Trustee contemporaneously with the Request.

If the Request is approved by the Chapter 13 Trustee, the Trustee’s office will file a “Notice of Trustee’s Approval of the Chapter 13 Debtor’s Request to Incur Debt to Purchase a Vehicle.” If the Request is not approved by the Chapter 13 Trustee, the Trustee’s office will advise the Debtor’s Counsel if additional information is required or that the Request will not be approved.

IF THE CHAPTER 13 TRUSTEE DOES NOT APPROVE THE REQUEST, THE DEBTOR MAY FILE A MOTION TO INCUR DEBT AND SEEK COURT APPROVAL OF THE PROPOSED PURCHASE AGREEMENT, WHICH MOTION MAY BE APPROVED AND GRANTED BY THE COURT.

(b) The Debtor has the burden of proof on the issue of feasibility. The Debtor must file amended Schedules I and J any time approval of a vehicle purchase is sought, whether by Motion or Request.

(c) Attorney fees for the Debtor’s Counsel on a Motion or a Request to Incur Debt shall be approved pursuant to the procedures set out in this General Order or any amendments to same. If the Debtor submits a Request to Incur Debt that is denied by the Trustee and subsequently files a Motion to Incur Debt, the total attorney fee that may be requested is the fee set out in paragraph 21(g)(8)(D) in this General Order for a Motion to Incur Debt. Representation of the Debtor on such Motion or Request constitutes a representation by the Debtor’s Counsel to the Court that the source of payment of any attorney fees is the Debtor and not a third party. The approved attorney fees may be disbursed by the Chapter 13 Trustee to the Debtor’s Counsel.

25. CHAPTER 13 DISCHARGE.

(a) When a Debtor completes all payments to the Trustee required by the Plan, the Trustee will file a *Notice of Completion* with the Court. No Order of discharge will be submitted by the Trustee until the Debtor has filed *Debtor(s) Certification and Motion for Entry of Chapter 13 Discharge Pursuant to 11 U.S.C. § 1328(a)*³ (hereinafter “Certification and Motion”) and the 21-day time for any objection has expired with no objection having been filed to the Certification and Motion. If the Certification and Motion is not filed, no Discharge Order will be submitted by the Trustee. If 21 days has passed after the filing of the Trustee’s Notice of

³ See Clerk’s Notice 07-06 dated November 5, 2007.

Completion with the Court and the Debtor has not filed a Certification and Motion, the Clerk will close the Case without a discharge. If the Debtor wishes to receive a discharge after the Case has been closed, the Debtor will be required to reopen the Case, pay the required filing fee, and promptly file the Certification and Motion.

(b) In a Conduit Case, when the Conduit Debtor completes all the payments required by the Plan and has paid the Base Amount in full, and an order of discharge is entered, the Conduit Debtor shall be deemed current on all payments of any kind due to the Mortgage Lender up through and including the date specified by the Trustee's records as the date through which the Trustee made the last Current Post-Petition Mortgage Payment to the Mortgage Lender and, as of that payment date, it shall be deemed that there are no payments owed to the Mortgage Lender, including, but not limited to, escrow shortages, late charges, attorney's fees, or other charges or costs.
