reflects a priority claim amount of \$12,739.91. Trustee has not received a copy of the 2022-2024 tax returns. Plan fails to provide any treatment for the IRS.

Plan lists a special provision in Paragraph #27: The Debtor(s) expressly [reserve and do not waive any right, defenses, causes of action, counterclaims, or setoffs against any creditor, including but not limited to Freedom Mortgage Corporation, any trustee, servicer, securitization trust, assignee, or purported holder of any claim secured by 17111 Dewberry Lane, Rosharon, Texas, whether known or unknown, including claims based upon fraud, lack of standing, invalid assignment, defensive securitization, failure of consideration, UCC violations, tender acceptance of negotiable instruments, Truth in Lending Act, RESPA, FDCPA, RICO, state consumer protection statutes, and constitutional claims. All claims listed in this Plan as "Disputed", "Contingent", or "Unliquidated" shall be deemed allowed or admitted by confirmation of this Plan, and confirmation shall not have res judicata or collateral estoppel effect as to liability, validity, standing amount, or enforceability of any such claim. No creditor shall be entitled to receive distributions, retain liens, impose fees, or exercise rights based upon any disputed claim unless and until such creditor establishes standing, ownership of the debt, and enforceability of the lien by a final order of a court of competent jurisdiction. Acceptance, negotiation, or deposit of any negotiable instrument tendered by the Debtor(s), including but not limited to \$500,000 instrument previously delivered in connection with the alleged mortgage obligation, constitutes accord and satisfaction and conditional payment pending adjudication of the parties' rights. The automatic stay shall not be deemed modified as to any disputed real property or secured claim absent a separate written order of the Court after notice and hearing. All payments made under this Plan to any creditor with a disputed claim are made under protest, without waiver of rights, and subject to reallocations, disgorgement, setoff, or refund depending on the outcome of pending or future litigation. This Plan shall not be construed as an admission that any creditor holds a valid, perfected, or enforceable lien, note, or security interest, and no creditor may rely upon confirmation as evidence of such validity. These provisions are material inducements to the Debtor(s)' agreement to proceed under Chapter 13 and shall be enforceable notwithstanding any contrary language in any proof of claim, contract, deed of trust, or servicing agent.

Debtor has failed to provide proof to substantiate the expenses on Schedule J.
