

## **ELECTRONIC FUNDS TRANSFER**

The Winston-Salem, NC Chapter 13 Office has Electronic Funds Transfer (EFT) as a payment option to our month-end disbursement process. This enables attorneys and creditors to receive payments more quickly, and eliminate checks being lost in the mail. To receive month-end disbursement funds by EFT, please send an email to [amcgriff@chapter13ws.com](mailto:amcgriff@chapter13ws.com). An invitation letter will be sent to you to use the service. Your email request for information should include the full name and address of your company as it appears on our disbursement check sent to your company or as it appears on any Proof of Claim filed by your office. Providing this information will assist us in locating all instances of your company in our database so that the proper authorization forms can be returned to you with the invitational information.

We are pleased to be able to offer our attorney and creditor community this service and look forward to receiving your request for an invitation to participate.

Brandi L. Richardson, Standing Trustee  
Chapter 13 Office, Winston-Salem NC
